# Expert Witness Training for Engineers

One-day programme

Enquire about our 'Expert Witness Report Writing' programme to strengthen your professional firm's services.

### Who should attend:

Anyone who can potentially be called as a witness

Delegates looking to do Expert Witness work

All engineering grades

### Facilitator:

Engineers Ireland partners with one of Ireland's most respected firms of Solicitors and Barristers who specialise in running training courses for engineers in legal and witness skills. Their hands-on, interactive training courses are hugely popular with engineers working in both the public and private sector.

# Expert Witness Training for Engineers

One-day programme

## Programme Aim:

This course is a highly practical look at the courtroom with emphasis on the role of the witness and tips on how to excel in the witness box. It will help both new and experienced experts to improve their performance in the witness box and to present evidence with confidence.

## Programme Outline:

- ⌚ Skills based training
- ⌚ Combination of theory and interactive role-play
- ⌚ Experience cross examination on a engineering case study
- ⌚ Detailed feedback from experienced lawyer
- ⌚ Learn how to give evidence with confidence

## Key Learning Outcomes:

Attendees will learn:

- ⌚ The procedures, order of events and roles of those in the adversarial systems
- ⌚ How to prepare for giving evidence
- ⌚ Taking the oath/affirmation with confidence
- ⌚ Techniques lawyers use in cross-examination and how to handle them
- ⌚ How to give clear, honest and objective evidence
- ⌚ How to make appropriate use of supporting evidence, documents and notes when giving evidence
- ⌚ How to give confident and clear testimony under cross-examination

\*Our courses are designed to help you obtain & maintain the **five competences** of a Chartered Engineer (CEng): C1. Knowledge and Understanding; C2. Application of Knowledge; C3. Leadership: Technical, Commercial and Managerial; C4. Communication & Interpersonal Skills; C5. Professional Conduct
