

Engineers Ireland Chartered Engineer Information Evening Wednesday 23rd November at 6.30pm in

Novotel Hotel Royal Victoria Dock, 7 Western Gateway, London E16 1AA

You are invited to attend an information evening by Engineers Ireland on the application process for the title of Chartered Engineer. Based in the scenic Royal Victoria Dock, it promises to be a useful evening for all.

On the night Shirley McDonnell (Associate Director, Membership with Engineers Ireland) will discuss the requirements for Chartered Engineer, the on-line application procedure, and the interview process that have now taken place in the region. Shirley will also discuss the January 1st 2021 deadline for those who hold an accredited degree prior to 2013. Attendees may also have an opportunity to network with engineers who have interviewed for Chartered Engineer that very day. Those preparing their applications are especially encouraged to attend but it is open to anyone interested in Engineers Ireland. Please register your interest to attend by emailing gregion@engineersireland.ie or booking a place online <https://www.eventbrite.ie/e/chartered-engineer-information-evening-tickets-29188803497>

Join us after in the Hotel Bar for some networking
