Professional Titles Information Evening

You are invited to attend an information evening on the various professional titles available with Engineers Ireland

Kevin Redmond from the Engineers Ireland Membership team will outline the professional titles available with Engineers Ireland and will discuss the regulations for the Chartered Engineer title, outlining the application and professional interview process and will be available to answer questions.

All members interested in applying are encouraged to attend - and to invite any of their colleges (members and non-members alike) who may be considering Engineers Ireland's registered professional titles.

Admission is **free** and all are welcome. We do however ask attendees to register in advance, using the link provided

Join us after in “The Prince Willian Henry” for some networking
