

09:00 to 17:00 Saturday 12th January 2019

**Radisson Blu Edwardian Kenilworth, 97
Great Russell Street, London WC1B 3BL**

Engineers Ireland GB Region Finance for Engineers Seminar

This seminar is for engineers currently in management roles or planning for future management roles with budgetary and spending responsibilities. It will cover common accounting principles and terminology, how to read profit and loss statements, reading variances and understanding and using a balance-sheet. Please note, project-accounting and taxation will not be covered.

The seminar will be presented by Diarmaid Cowhie, an electrical engineer, Chartered Accountant and former treasurer of the GB Region.

Registration details:

- Attendance is open to members of Engineers Ireland GB Region; attendees will be contacted before the course for additional information
- email diarmaidcowhie@gmail.com providing: Name, address, Engineers Ireland membership number, mobile number and email address
- £80 per attendee by December 14th 2018; payment by bank transfer to Engineers Ireland GB Region
- Attendance - Limited to 8 places
- Coursework and lunch will be provided

Nearest Underground station is **Tottenham Court Road Station**

Nearest Rail station is **Euston Station**
