

Presidential Address and Conferring of Registered Professional Titles

Peter Quinn
Chartered Engineer
President 2018-2019

A BLUEPRINT FOR HOUSING - PLANS FOR GROWTH

Tuesday 7th May 2019

Clayton Hotel, Limerick

7.15pm

In his Presidential Address, Peter will discuss the current housing crisis in Ireland, focusing on the principal contributing factors, the key stakeholders and the role that engineers can play in alleviating the problem.

Geographic factors, infrastructure requirements and predicted population growth will also be explored in this most topical of presentations.

The Address will be followed by the Conferring of Registered Professional Titles on members successful in achieving the titles during the year and the evening will conclude with a reception where members and guests can network and meet with the President.

Admission is free and all are welcome

Attendance at this event can be counted as 1 hour CPD!
