Career history	1971-1972 Site Engineer with Irishenco on ESB Pumped Storage Scheme 1972 -1974 With French valve manufacturer and Belgian property company 1975 – 1976 Area Engineer Kildare County Council 1976 – 1977 Design/supervision of housing development work 1977-1985 Resident Engineer then Senior Engineer JB Barry. Housing, civil works and Natural Gas Project. 1985 to Date. Private practice in own name. Founded Fahy Fitzpatrick in 1990 but from mid 1990s main work in litigation as expert witness. Working in dispute resolution since 2003; solely in that area since 2009.
Positions Held	2008-2009: Chairman CIArb Irish Branch 2008-2010: Chairman Engineers Ireland Ethics and Disciplinary Board. 2009 – 2015: Chairman Engineers Ireland Dispute Resolution Board. 2007 – 2010: Member ICC National Committee for Ireland 2010 - Member ICC Commission on Arbitration 2015 - Member of CIArb Practice & Standards Committee
Dispute resolution Experience	Since 2010, 39 appointments as conciliator 34 of which proceeded. Of those 21 appointments related to the PWC suite of contracts covering building, civil engineering and professional fees disputes. Have also conciliated disputes under RIAI, IEI, FIDIC, GDLA, MF/1 and bespoke forms of contract. Maximum amount in dispute some €10m and average amount some €1m. Of the 34 cases, only 3 did not settle either on the day on the basis of a recommendation.
Specific areas of expertise	Building/Construction generally. Familiar with IEI,RIAI,GDLA, MF/1 and FIDIC forms of contract. Particularly familiar with PWC suite of contracts – in 2015 organised the drafting of an employer designed construction contract for use in the private sector based on PWC. Very familiar with all dispute resolution processes – responsible for the preparation of Engineers Ireland procedures for mediation, conciliation, expert determination and arbitration since 2011.
