

Notification of changes to the Buildsafe-NI Contractor's Health and Safety Report

From **1 February 2014** the Buildsafe-NI Contractor's Health and Safety Report, which is to be provided by the Principal Contractor (CDM 2007) at each project meeting, will be amended to include a section on health risk management.

The change has been endorsed by the Government Construction Health and Safety Officers Group (GCH&SOG) and the Construction Industry Forum for Northern Ireland. The updated report pro-forma, which must be used from 1 February 2014, is available on the Buildsafe-NI webpage below:
