About the event

This event will explore Indaver Ireland's journey of Sustainable Waste Management, Waste to Energy Conversion, and the challenges faced by the Industry. There will also be a guided tour of Indaver's Waste Management facility at Carranstown, Co. Meath.

Safety Note:

- Indaver Ireland will provide PPE.
- Flat and covered shoes must be worn by all attendees (e.g. ballet pumps, flip flops etc are not permitted).
- Short skirts or loose clothing is not permitted.
- If anyone suffers from any medical condition (e.g. epilepsy), can you please advise us of this in advance of the event. So, that Occupational First Aiders are made aware (this information will be kept confidential).

Car Park: Upon entering into the site. Drive 100-200 metres and turn right, before reaching the security building (with barrier). Enter the Carpark (there should be ample parking). Walk to the security building. Upon entering the building advise the Security Official that you are attending the "Engineers Ireland Site Visit". You will be asked to sign a register for Indaver's own security purposes. Then take a seat and wait for the tour to commence.
